2024**

THE POWER OF PARTNERSHIP

Your company needs independent agents, and Big “I” Nebraska is your connection to the best and brightest insurance professionals across the Cornhusker State. Becoming an industry partner puts your company front and center with our powerful group of agents.

Big “I” Nebraska’s Industry Partner program is designed to leverage the power of collaboration and relationship-building. Our program allows each company to choose a partnership level based on the level of interaction and visibility they are looking for with Nebraska independent agents. All levels provide companies with year-round exposure for IIAN member agencies and their employees.

Your investment as an Industry Partner is an investment in the growth and sustainability of the independent insurance industry. Together, we can protect, promote and grow the independent agency system in Nebraska for years to come!

Big “I” Nebraska is made up of more than 500 member agencies and branches across the state.

Each edition of the IIAN “Insider” e-newsletter reaches nearly 2,000 insurance professionals.

Nearly 1,500 insurance professionals attend our classes and conferences each year.

Our lobbying team works on bills that impact our industry on both the agent and carrier side of the business.

Save money on event registrations by choosing the Diamond, Platinum or Gold level!

Your partnership guarantees year-long, high-profile visibility to Big “I” Nebraska member agents.
